PRINCIPAL'S MESSAGE

It is indeed my pleasure to welcome our new students to this esteemed institution. Since its inception in 1964, our college has endeavored to impart quality education and to achieve excellence not only in academia but also in sports, literature, performance and public service with the unflinching support of our acclaimed faculty. Each subsequent year, our students and faculty have scaled newer heights, setting higher goals for the students to come. By now we take pride in a rich tradition that comprises of academic luminaries, sportspersons of national and international repute, a Padmashri awardee poet, famous media personalities, renowned theatre artists and top ranking civil servants.

The College aims to inculcate goodwill, respect, cooperation, and trust among the students through quality education which is essential for success in life. The college is well equipped with the infrastructural facilities in the form of laboratories, auditorium, and digital library with special software for the PWD students, hygienic canteen, seminar room and sports complex. Placement cell of the college further assists the outgoing students in finding appropriate jobs. Seminars, debates, cultural events and sports activities throughout the year maintain a lively and vibrant environment in college.

I along with my team of dedicated faculty and silent workers, intend to build a strong and unparalleled knowledge base and raise the standard of the college in all spheres to the zenith.

At Rajdhani College, we believe in Sanskrit saying: *TejasviNaav[au]-Adhiitam-Astu* – May our Study be Enlightening (taking us towards the true Essence underlying everything).

We look forward to an enriching and prolific association with you and hope you pass out as better human beings and successful persons in life.

Dr. Rajesh Giri
(Principal)

ABOUT THE COLLEGE

The motto of Rajdhani College is – *Tejaswinavadhitamastu* – May learning illuminate us (both the teacher and the taught).

For more than fifty years now, the College has adhered to its motto and scaled new heights of all round achievement.

Rajdhani College is a constituent College of the University of Delhi. In 1964, Delhi Administration established this college in Kirti Nagar, New Delhi. At that time it was called Delhi College. Subsequently, its governance was vested in an autonomous Governing Body and a New name – Rajdhani College – was given to it. The College acquired its current premises in 1976-77, when a new, spacious and well-furnished Building was constructed for it. Located in West Delhi on Mahatma Gandhi Marg (Ring Road) near Raja Garden, the college is accessible from all corners of Delhi and NCR. Ramesh Nagar and Rajouri Garden Metro stations are in close proximity, further increasing its accessibility from different corners of the city.

The college has made concerted effort to keep up with the ever increasing demands of infrastructural development. In addition to well lit, spacious classrooms, the college complex has an air- conditioned Auditorium, an air-conditioned Conference Room, and a well –stocked Library with computer and internet facility. A new Academic Block with the facility of a lift was recently added to further augment our infrastructural strength. The College believes in keeping pace with new technology. Apart from Science Laboratories, a Computer Science Laboratory and a Central Computer Lab, the college has dedicated Computer laboratories for several disciplines to further facilitate student interface with technology. Our verdant playground is our pride as it encourages outdoor recreation and sport among students who bring laurels to the college with remarkable regularity.

Regular participation and wins at various cultural events have established Rajdhani College as a cultural force to reckon with. Whether it is debating or dramatics, music or dance, NCC or NSS – with the able guidance of its dynamic and committed faculty, Rajdhani students have excelled in every field. We truly believe in honing

personalities, encouraging students to recognize their own potential and to develop it to achieve their goals. The dedication, scholarship and enthusiasm of our faculty make them a role model for our students.

The college offers courses in all three streams: Humanities and Social Science, Commerce and Science. Among the different honours course the college offers Bachelor with Honours in Economics, English, Hindi, History, Political Science and Sanskrit, Bachelor with Honours in Commerce and Bachelor with Honours in Chemistry, Electronics, Physics and Mathematics. In addition, the college also offers Bachelor Programmes in the Humanities and Social Science steam and the Science stream. Rajdhani College also offers Post Graduate Courses in English, Hindi, History and Commerce. This prospectus provides a brief introduction to our college.

2.2. Documents required at the time of admission:

The applicants shall be required to produce following documents in original with two sets of self-attested photocopies at the time of admission:

1. Class X Board Examination Certificate
2. Class X Marks -Sheet
3. Class XII Marks-Sheet
4. Class XII Provisional Certificate / Original Certificate
5. Character Certificate (recent)
6. SC/ST/PwD/CW/KM Certificate (in the name of the candidate) issued by the competent authority
7. OBC (Non-Creamy Layer) Certificate (in the name of the Candidate) issued by competent authority (recent)
8. Transfer Certificate from school / college as well as Migration Certificate from Board / University are required from those students who have passed senior secondary exam from outside Delhi
9. At least two passport size self-attested photographs.

Notes:

- ◆ The University will accept self-attested copies of documents/papers provided by the students. It is made clear that if any false attestation/falsified records are detected, the student will be debarred from attending any course in the University/or its Colleges for next five years and in addition, a criminal case under relevant sections of IPC (viz. 470, 471, 474 etc.) will be instituted against him/her.
- ◆ Candidates seeking admission under SC/ST/OBC Category should have certificates in their own name only.

2.3 Procedure for calculation of 'Best Four' subjects' percentage

2.3.1. Procedure for calculation of 'Best Four' subjects' percentage for Honours Courses (For admission to Arts/ Humanities Courses):

- a. One Language (Core/ Elective/ Functional)
- b. The subject in which admission is sought (If a candidate does not include the concerned subject whether studied or not, in 'Best Four' in which he/she is seeking admission in the honours course, then a deduction of

2.5% will be imposed on the calculated 'Best Four' percentage). For Honours in languages refer to point 12, also.

c. Any two other academic/ elective subjects as per List A.

Note:

- i. If a candidate does not include the subjects given in List A in 'Best Four', then a deduction of 2.5% of maximum marks will be levied for each subject for the purpose of calculating 'Best Four'.
- ii. All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on *pro rata* basis. These new marks will then be considered for calculation of 'Best Four'.

Examples: (1) If a candidate has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), and Chemistry 91(theory 52, practical 39; max. marks theory 60, practical 40) which is not in ratio of 70: 30, then the marks can be converted on *pro rata* basis

Pro rata marks in physics = $88.3 ((50/60) \times 70 + (40/40) \times 30) = 58.33 + 30 = 88.33$

Pro rata marks in chemistry = $89.92 ((52/60) \times 70 + (39/40) \times 30) = 60.67 + 29.25 = 89.92$

(2) If a candidate has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. The marks in Physics, Chemistry and Biology have less than 70% theory component and therefore have to be converted to 70:30 ratio on *pro rata* basis. For physics, it is $56.25 + 29.32 = 85.25. ((45/56) \times 70 + 29 = 56.25+29 = 85.25$

For chemistry, it is $60 + 30 = 90. ((48/56) \times 70 + 30 = 60 + 30 = 90$

For biology, it is $63.75 + 30 = 93.75. ((51/56) \times 70 + 30 = 63.75 + 30 = 93.75$

List A:

The following Discipline subjects must be treated as Academic/ Elective subjects for the purpose of undergraduate admissions. All other subjects offered by different boards may be treated as non-elective:

Arabic, Bengali, Botany, Chemistry, Commerce*, Computer Science, Economics, English, French, Geography, Geology, German, Hindi, History, Home Science, Italian, Legal Studies, Mathematics, Music, Persian, Philosophy, Physics, Political Science, Psychology, Punjabi, Sanskrit, Sociology, Spanish, Statistics, Urdu and Zoology.

1. Accountancy/ Business Studies/ Commerce shall be treated at par with academic/ elective subjects.
2. Biology/ Biotechnology and Business Studies will be treated as academic/ elective subjects.
3. Mass Media Studies will be treated as an academic subject for the purpose of admission to B.A. (H) Journalism (Hindi/ English).
4. Admission to B.A. (Hons.) Hindi Patrakarita and B.A (Hons.) Journalism will be based on 'Best Four' percentage as in B.A. (Hons.) Hindi and B.A (Hons.) English, respectively.
5. In case a candidate has studied both elective and core in a language, then core language subject will be treated as language, while elective language can be considered as academic/ elective subject.
6. Admission to B.A. (Hons.) Applied Psychology will be based on 'Best Four' percentage as in B.A. (Hons.) Psychology.
7. Admission to B.A. (Hons.) Social Work and B.A. (Hons.) Philosophy will be based on 'Best Four' percentage including one language and three academic/elective subjects as per the above procedure.

8. The subject 'Informatics Practices' will be equivalent to Computer Science for admission to B.Sc. (Hons.) Computer Science only.
9. The candidates must have studied and passed Mathematics at the qualifying exam for admission to Honours in Economics and Commerce.
10. Business Mathematics will be treated as equivalent to Mathematics for admission to B.Com (H)/ B.Com only.
11. (a) For admission to Honours in any language course, advantage of 2% in the Best Four percentage may be given to those candidates who have studied that particular elective language.
- (b) In case, a candidate has not studied a language at qualifying exam and is seeking admission to Honours in that language (except for Honours in English and Hindi, refer (c)), deduction of 5% will be imposed on 'Best Four' percentage.
- (c) For admission to Honours in English and Hindi, the candidate must have studied and passed the respective language in the qualifying exam and should include respective language for calculation of 'Best Four' percentage.
12. University may define any other relevant subjects as an academic/ elective for a particular Honours course.

Examples for calculation of 'Best Four' Percentages are given below.

Example 1: If a candidate has scored: Accounts (90), Business Studies (92), English (88) and Economics (94). Total marks are $90+92+88+94=364$, Percentage is 91%. The effective percentage for: B.Com is 91%, B.A(Hons.) English is 91%, Not eligible for B.A (Hons.) Economics, B.Com(Hons.) B.A(Hons.) Political Science is $91\% - 2.5\% = 88.5\%$.

Example 2: If a candidate has scored: Physics (96)*, Chemistry (92)*, English (90) and Mathematics (94). Total marks are $96+92+90+94=372$, Percentage is 93%. The effective percentage for : B.A (Hons.) History is $93\% - 2.5\% = 90.5\%$, B.A(Hons.) English 93%, B.A (Hons.) Economics $93\% - 2.5\% = 90.5\%$, B.Sc.(Hons.) Maths 93%.

Example 3: If a candidate scored: Accounts (88), English (92), Punjabi Elective (90), Maths (80) and Web Designing(96). Total marks are $88+92+90+96=366$, percentage is 91.5%. The effective percentage for : B.Com (Hons.) $91.5-2.5(WD) = 89\%$, B.A (Hons.) Hist. $91.5\%-2.5\%(WD)-2.5\%(Hist.) = 86.5\%$. B.A (Hons.) Punjabi $91.5\% - 2.5\%(WD) + 2\%(Elective) = 91\%$. B.Sc.(Hons.) Maths (English, Maths, Accounts, Punjabi) 87.5%.

Example 4: If a candidate has scored: Accounts (90), Business Studies (92), English (88) and Home Science (94), Maths (85). Then total marks are $90+92+88+94=364$, Percentage is 91%. The effective percentage for B.Com(Hons.) 91%. B.A(Hons.) Eng. 91% B.A (Hons.) Hist. $91\%-2.5\%(Hons.)= 88.5\%$. B.Sc.(Hons.) Maths $88+85+94+92=359$. The Percentage is: 89.75%

Example 5: If a candidate has scored: Physics (85)*, Chemistry (90)*, English (90) and Biology (85)* Physics, Chemistry and Biology have less than 70% theory component. Total marks in **PCBE** are: $85+90+85+90=350$. The percentage is 87.5%*. The effective percentage for: B.A (Hons.) English is 87.5% B.A (Hons.) Political Science $87.5\% - 2.5\% (Hons.) = 85\%$.

Example 6: If a candidate has scored: English Elective (92), History (65), Political Science (85), Geography (89) and Home Science (90). Total Marks 356 excluding history. The percentage is 89%. The effective percentage for: B.A (Hons.) English $89\% + 2\%(Elective)= 91\%$ B.A (Hons.) Political Science 89% B.A (Hons.) History $89 - 2.5\% = 86.5\%$ (History not included) B.A (Hons.) Psychology $89-2.5\% = 86.5\%$

***Marks in physics/chemistry/biology papers should be in the ratio of 70: 30 (theory: practical), otherwise, marks calculated on pro rata basis will be considered.**

2.3.2. Procedure for calculation of 'Best Four' subjects' percentage for B.A (Programme) /B.Com (Programme):

- One Language (Core/Elective/Functional)
- Any three elective subjects can be chosen. A deduction of up to 5% on 'Best Four' percentage may be imposed if there is a change of stream.
- One non-listed (List A) subject can be included in calculation of 'Best Four' without any deduction.
- For admission to B.A. (Vocational) only, related vocational subjects may be treated at par with academic/elective subjects and up to two vocational subjects which are in relationship with the course of study may be included for the calculation of 'Best Four.'
- If a candidate opts for MIL (Except Hindi) as a subject, an advantage of up to 10% may be given in Best Four' in those colleges where MIL is offered as a subject.

Notes:

- The college will have to notify the actual deduction up to 5% for change of stream beforehand by uploading on their website and intimating the same to the University.
- If more than one non-listed subject is included for calculation of "Best Four", a deduction of 2.5% each in 'Best Four' may be levied in addition to deduction due to change of stream, if any.
- All subjects to be included in the calculation of 'Best Four' must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only shall be converted to 70% and 30%, respectively on *pro rata* basis. These new marks will then be considered for calculation of 'Best Four' in addition to Note (i).

Examples for calculation of 'Best Four' Percentage are given below.

Example 7: If a candidate has scored in Accounts (90), Business Studies (92), English (88) and Economics (94). Total marks are $90+92+88+94=364$. The Percentage is 91%. The effective percentage for: B.Com 91% B.A(Prog) $91-5^{**}=86\%$.

Example 8: If a candidate has scored in Physics (96)*, Chemistry (92)*, English (90) and Mathematics (94). Total marks are $96+92+90+94=372$ and Percentage is 93%. The effective percentage for : B.A(Prog) $93-5^{**}=88\%$ B.Com is $93-5^{**}=88\%$.

Example 9: If a candidate scored: History (88), English (92), Political Science (90) and Web Designing (96).* Total marks are $88+92+90+96=366$, Percentage is 91.5%. The effective Percentage for : B.A(Prog) 91.5%.

Example 10: If a candidate has scored in Accounts (90), Business Studies (62), English (88), Web designing (94)* and Painting (95)*. Total marks are $90+95+88+94=367$. The Percentage is 91.75%. The effective percentage for :B.A(Prog) $91.75-5^{**}-2.5\#=84.25\%$,B.Com $91.75-2.5\#=89.25\%$

** is deduction due to change of stream.

is for second vocational subject.

*Marks in these papers should be in ratio of 70: 30 (theory, practical), otherwise, marks calculated on *pro rata* basis will be considered.

2.3.3. Procedure for calculation of marks in Science Courses

The Basis of Selection for Mathematical Sciences/Science/Home Science courses remains unchanged. All the subjects to be included for Basis of Selection (PCM/PCB/PCMB) must have at least 70% theory component of exam. In case, the subject to be considered does not have 70% theory component and 30% practical component, then the marks of theory and practical only must be converted to 70% and 30% , respectively on *pro rata* basis. These new marks will then be considered for calculation of PCM/PCB etc.

Example 11: If a candidate has scored: Physics 90 (theory 50, practical 40; max. marks theory 60, practical 40), Chemistry 91(theory 52, practical 39; max. marks theory 60, practical 40), English (90) and Mathematics (95), Physical Education (92). Physics and Chemistry have 60% theory component and 40% practical marks. Pro rata marks in physics = 88.3% Pro rata marks in chemistry = 89.92% Therefore, Total marks in PCM are: $88.33+89.92+95=273.25=91.08\%$ and PCME are: $88.3+89.92+95+90 = 363.25 = 90.81\%$.

Example 12: If a candidate has scored: Physics 88 (theory 45, IA 14, practical 29; max. marks theory 56, IA 14, practical 30), Chemistry 92 (theory 48, IA 14, practical 30; max. marks theory 56, IA 14, practical 30), English (90) and Biology 95 (theory 51, IA 14, practical 30; max. marks theory 56, IA 14, practical 30). Mathematics 92. Physics, Chemistry and Biology have less than 70% theory component and must be converted to 70:30. For Physics, it is $56.25+29 = 85.25$; For chemistry, it is $60+30= 90$; For biology, it is $63.75+30= 93.75$. The PCB is 89.77% ; PCM is 89.19%

2.4. Concession for girls:

A concession of 1% in the cut off will be given to girl candidates for the following courses:

- | | |
|---|------------------------------------|
| 1. B.A. (H) Economics | 2. B.A. (H) Hindi |
| 3. B.A. (H) History | 4. B.A. (H) Political Science |

Further Details:

* Wherever G.C.E. Certificate indicates the grades; it will be treated at par with the grades of Indian School Certificate Examination for purposes of Admission requirements. (See Grade Conversion)

* The Candidates seeking admission to an Honours Course must have passed the subject at Advanced level. For Geology and Anthropology Honours Courses, the candidate must have passed one Science subject at Advanced level out of Physics/Chemistry/ Mathematics/ Biology.

* The Candidate seeking admission to Honours Course in Physics / Chemistry must have passed: Mathematics and Addl. Mathematics at Ordinary level and at least one subject at Advanced Level out of (1) Pure Mathematics (2) Applied Mathematics (3) Mathematics (Pure and Applied) and (4) Further, Mathematics or Addl. Mathematics at Ordinary Level and one subject at advanced level.

Minimum requirements for the students who have passed the qualifying examinations and are seeking admission in regular colleges to various courses are summarized here:

Note: In case any board declares the percentage marks of individual subjects along with the grades, then marks shall be taken into consideration.

2.6 Reservations and Relaxations

2.6.1. Reservation of Seats for Scheduled Caste/Tribecandidates

- 22½% of the total numbers of seats are reserved for candidates belonging to Scheduled Caste/Scheduled Tribes (15% for Scheduled Caste and 7½% for Scheduled Tribes, interchangeable, if necessary).

- It is a statutory obligation on the part of Colleges to fill all seats reserved for Scheduled Caste/Scheduled Tribe candidates.
- The College shall not refuse admission to any SC/ST candidate on the basis of medium of instruction. Any deficiency in the knowledge of any particular language should be removed, remedial classes for which may be arranged by utilizing grants that are available from University Grants Commission.
- Relaxation to the extent of 5% in the minimum marks will be given to the candidates belonging of Scheduled Caste and Scheduled Tribe to determine their eligibility and merit for admission to the course concerned.
- In case, after giving 5% relaxation, the reserved seats still remain vacant, further relaxation would be given to the extent required in order to fill up all the reserved seats. (AC Resolution A88, 14.6.1983) (EC Resolution 157, 24121.2001). Eligibility in these cases is pass percentage.

Note: SC/ST students who get admission under open merit will not be included in the reserved quota i.e. 22.5%.

Candidates seeking admission under SC/ST/OBC category should have certificates in their own name only.

CO-CURRICULAR ACTIVITIES

The college has many societies that promote extra-curricular activities. Students are encouraged to join these societies and participate in the various activities so that they can build up their self-confidence, sharpen their skills and bring their latent talent to the fore. This will enable them to participate very successfully in various intra and inter-college competitions as well as at the inter –university level events held round the year.

5.1 DEPARTMENT SOCIETIES

Each teaching department has its own departmental society, which is responsible for conducting regular academic programmes and events. The Economics Society, English Literary association (ELA), Sanskrit Society (Nashtha), Physics and Electronics Society and the society of the Mathematics department are some of the societies that remain vibrantly active throughout the year. The students can contact the respective teacher- in-charge of their subject department for participating in such activities.

5.2 CULTURAL EVENTS

The Cultural Committee is dedicated to creating and providing a forum for students to participate in cultural offerings of Rajdhani College and other affiliated colleges of the University of Delhi. A committee comprising of the faculty members is constituted at the beginning of every academic year. The Cultural Committee of the college works with the objective to bring to light the hidden talents of the students, improving their capabilities to work as a team and raising their level of self-confidence while performing. The cultural activities are carried out throughout the year and students get opportunities to participate in various intra/inter-college competitions such as Mehndi, Rangoli, Collage Making, Poem Recitation, Short Plays, Singing (Solo & Group), Dance (Solo & Group), etc. Winners of the competitions are awarded certificates, trophies and cash prizes. Students interested in participation (and volunteer work) in various cultural activities can contact any member of the cultural committee.

5.3 SPORTS EVENTS

Outdoor and indoor games like Cricket, Hockey, Football, Volleyball, Badminton, Table Tennis, etc. are available for all students of the college. Various training programmes and competitions are held throughout the year in the various fields. A Grand Sports Day is organized every year which sees the enthusiastic participation of not only the students but of the teaching and non- teaching faculty of the college.

5.4 DEBATING EVENTS

The Debating society offers various opportunities to the college students to participate in debating events. Inter and intra- college events are organized in the college and the students are encouraged and prepared for debating events at various forum.

5.5 NATIONAL CADET CORPS (NCC)

The NCC aims at the development of leadership, character, comradeship, spirit of sportsmanship and the ideal of service. It creates a force of disciplined and trained manpower that, in a national emergency could be of assistance to the country. It provides training to students with the view to develop officer-like qualities in them. The College has NCC Wings for boys and girls. The College has two companies of NCC Infantry Wing (boys) and Naval Wing (girls), both commanded by commissioned NCC officers. The cadets are given training in drill, map reading, shooting, field craft, first aid and fire fighting. The cadets are also sent to attend various adventure camps like mountaineering, rock climbing, paragliding, trekking and various leadership and advance leadership camps at different places. Students can join either Infantry or Naval Wing of NCC by applying in the prescribed form available with the College NCC Officer.

Dr. Dhanraj Meena (Department of Chemistry) is the NCC Incharge (Boys) while Dr. Suman Meena (Department of Chemistry) is the NCC Incharge (Girls) for the year 2017-2018.

5.6 NATIONAL SERVICE SCHEME (NSS)

The NSS is promoted by the Ministry of Human Resources and Development and has for its objective the development of a sense of social commitment in the students. The scheme encourages nationally accepted objectives e.g. pride in being Indian, democracy, socialism, secularism, national integration and development of a scientific temper and work ethos. The students work with NGOs and social work organizations. They also organize blood-donation camps and assist in relief works as and when necessary. In order to create interest in social service among students and to employ their spare time gainfully, the NSS unit of the College is active throughout the year in programmes like institutional development, blood-donation, campus cleanliness, clean Yamuna campaign, hobbies in specialized fields, e.g. painting, music etc.

The Programme Officer for NSS for the academic year 2017-2018 is Dr. Anil Kumar (Department of History).

5.7 GANDHI STUDY CIRCLE

The Gandhi Study Circle is instituted to create awareness about the Father of the Nation among youth of today. The Circle is mandated to organize events about Gandhiji, his life and his teachings.

The Convenor of the circle for 2017-2018 is Dr. Ved Mitra Shukla and Dr. Rajiv Ranjan (Member).

5.8 TREKKING, MOUNTAINEERING CLUB

Ever since inception, the Club has attracted students and faculty members who are keen on hill-walking and trekking. The members participate sporadically in various trekking programmes organized by the club. The club also offers opportunities for personality development and enrichment by means of promoting environmental appreciation, awareness, and protection programmes among students.

5.9 PHOTOGRAPHY SOCIETY

This year, the College is adding another feather to its cap - a Photography Club to give students a chance to explore and develop their photography skills.

6. COLLEGE CELLS**6.1 WOMEN DEVELOPMENT CELL (WDC)**

The WDC has been established in the college with the purpose of creating a campus free from all bias and prejudice against females. A committee consisting of the faculty members looks after the issue of safety of all females (students, teachers and staff members) within the campus. It also looks into the matter of solving any kind of gender based physical, mental or psychological discrimination faced by any female. The committee is actively involved in organizing various functions like self-defence programmes, debates, plays and talks by several women activists, etc. Members of the Faculty of Law and well known activists also visit the college regularly to enlighten the female students about their legal rights.

Dr. Anita Gaur (Department of Hindi) is the Incharge of this cell for the current academic year.

6.2 EQUAL OPPORTUNITY CELL (EOC)

The Equal Opportunity Cell was established by the University of Delhi on 27th June 2006 to address the issues related to SC/ST, the OBC and minorities and the physically challenged on a continual basis. The main problems faced by people viewed as disabled, or with disabilities, or of minority status, stems from disabling environmental, economic and cultural barriers.

Disability and minority are therefore equal rights issues on a par with other forms of unjustifiable discrimination and prejudices. As part of its mission statement, the EOC ensures the following:

1. Affirmative action's concerning SC, ST and OBC
2. A barrier free access to all buildings of Colleges, Departments, Libraries, Hostels and Officers of the University.
3. Smooth and efficient running of a Resource Centre that specializes in addressing the needs of PWDs in all categories including Visual, Hearing, Orthopedic, and Neurological.

For the academic year 2017-2018, Dr. Mahendra Singh Dhakad (Department of History) is the Convenor of this cell. In addition, Ms. Namrata Singh (Department of History), Dr. Ved Mitra Shukla (Department of English), Dr. Vaishali V. Shahare (Department of Chemistry) and Dr. Deo Kumar (Department of Hindi) are the members of this cell.

6.3 SC/ST CELL

The SC/ST Cell of the College was constituted to ensure that adequate representation is given to SC/ST candidates in the matter of appointments to the teaching and non-teaching posts, allotment of quarters and admission in various courses of studies and also to ensure effective implementation of the reservation policies and programmes. The Cell organizes a Scholarship Camp not only for the SC, ST and OBC students, but also for the students belonging to poor and minority background every year. In this camp, the needy students from all the above-mentioned categories are informed about various scholarship schemes of the Delhi Administration as well as the Central Government. The Cell actively works for the welfare of the students by focusing on the establishment of a counter for admission assistance and distribution of free scholarship forms to students during the admission period.

Dr. Mahendra Singh (Department of Hindi) is the Convenor of the SC/ST Cell for the year 2017-2018.

6.4 PLACEMENT CELL

A Placement Cell has been set up by the college to help students find the right guidance and assistance for employment after college. Dr. Marry C. Lethil (Department of Commerce) is the Convenor of this cell for the year 2017-2018. The members are Dr. Mohini Aggarwal, Dr. Arun Lal and Dr. Shikha Kaushik.

7. OTHER IMPORTANT COMMITTEES AND OFFICERS

7.1 ANTI DISCRIMINATORY OFFICER

Dr. Nitin Kumar (Department of Physics) is the Anti- Discriminatory Officer for the year 2017-2018.

The Following Liaison Officers are appointed in the College for handling problems faced by persons of privileged categories.

7.2 LIAISON OFFICER: SC/ST: Dr. G.P. Bairwa (Department of Political Science)
