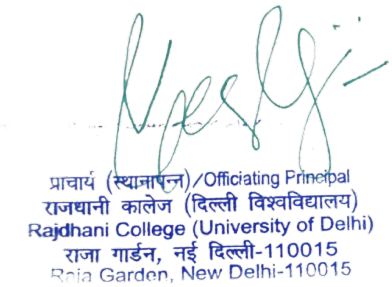
VISION

Rajdhani College aims to achieve brilliance in all the spheres and aspires to become a renowned institution of higher education, by generating healthy and hospitable academic environment. The college tries to maintain a balance between innovation and tradition – a feature that makes our institution stand out. In keeping with the institutional motto 'Tejaswi Naav Adhiitam Astu', with a literal translation of "May our Study be Enlightening', the college strives to groom the students not only in academics but in all aspects of life such that they move closer to the true essence of life.

True to our motto, the college remains committed to inculcating a sense of responsibility towards society and the nation, amongst the youth of the country. The young students are encouraged to display extraordinary skill and talent when interacting with the world at large. A focus upon developing scientific temper with a special emphasis on community life vis-à-vis the individual and the family is practiced. Rajdhani College is committed to building a strong foundation of core values of social justice, veracity and service to guide and mold students to achieve sustainability and excellence in all spheres of life.

MISSION

Rajdhani College believes in accomplishing curricular and extra-curricular brilliance simultaneously. The aim is holistic growth and enhancement of students. The college strives to offer educational brilliance in the fields of science, commerce, and humanities. The spirit of analysis, innovation, and research are encouraged and both, the faculty and students strive to excel in these areas. The college has amenities like laboratories, computers, projectors, auditorium, canteen etc. Due to the emphasis given to exactitude, knowledge, and enthusiasm, our students try to move beyond the confines of the regular courses. The impulse to apply theoretical knowledge upon practical situations is also encouraged.

Rajdhani College aspires to be the institution of excellence through a relentless focus on all the areas of academic investment, which are crucial to enable the college to accomplish both curricular and extra-curricular brilliance simultaneously. Our last five decades and so, the college has charted an academic trajectory, which proves to be a roller- coaster ride. However, all the teachers, students and the administrative staff have tirelessly worked for the advancement of the college to make an indelible mark in the national and international arena of higher education.


The college aims to promote the ideals of liberty, equality, and fraternity. It also makes concerted efforts to instill a sense of justice amongst the students to encourage them to participate in all kinds of college activities and contribute to all the making of a healthy competitive environment.
