NOTICE

All students of the **First Year** are hereby informed that they can access their official college email account using their college email ID, which is formatted as:

College Roll Number@rajdhani.du.ac.in

For example, if a student's roll number is **21689**, their college email ID will be:

21689@rajdhani.du.ac.in

The **password** for the email account is the same email address that was used while submitting the college application/registration form. For example, if a student used **xyz@gmail.com** during registration, then the initial password will be:

xyz@gmail.com

Students are advised to note the following:

- The password is **case-sensitive**.
- The password **must be changed upon the first login** for security reasons.
- Students should keep their new password confidential and secure.
- Students are advised to regularly check their college email accounts, as these email IDs will be used for all official communications between the College and the students in the future.

For any issues related to login or access, students may contact Mr. Parveen Kumar, STA in Computer Science Laboratory, First Floor, New Block, during office hours for assistance.
