

**D.O. No.: EEF/WRETC/2026/5**

**Date: 25<sup>th</sup> May 2026**

**University of Delhi**

**Delhi**

**Invitation**

It is my pleasure to inform you that the **Energy And Environment Foundation** with the support of **Ministry of Power, Government of India** is organizing the **17<sup>th</sup> World Renewable Energy Technology Congress 2026 along with 10<sup>th</sup> World Water Summit & Expo, 7<sup>th</sup> World Hydrogen Energy Summit & Expo, and 6<sup>th</sup> Waste to Wealth Summit & Expo - 2026** from **1<sup>st</sup> to 2<sup>nd</sup> July 2026** at **NDMC-Convention Centre, Parliament Street, New Delhi, India**. The theme of the Congress is **“Renewable Energy, Energy Efficiency & Sustainable Solutions for a Green Economy”**. [www.wretc.in](http://www.wretc.in)

**India has tremendous potential for renewable energy, renewable green hydrogen and has big plans for clean energy under the visionary and dynamic leadership of Shri Narendra Modi Hon'ble Prime Minister of India.** Different State Governments are actively promoting the development of Renewables and Renewable Hydrogen through **Green Energy Commitment**. Hence the upcoming **17<sup>th</sup> World Renewable Energy Technology Congress from 1<sup>st</sup> to 2<sup>nd</sup> July 2026** is of **vital importance** for sharing experiences, bringing together the policymakers, regulators, innovators, technologists, specialists, investors, exhibitors and other participants to give further stimulus for the utilization of Renewable Energy.

On behalf of the Steering Committee I most cordially invite you to deliver a **Keynote Address** on **Thursday, 2<sup>nd</sup> July 2026 at the NDMC-Convention Centre, Parliament Street, New Delhi, India**. Your gracious presence will be a great encouragement to the delegates and participants of this International Conference.

A special feature of these International Conferences is the Academia–Industry Interaction, providing students and faculty members an opportunity to interact with leading Industry Experts and Researchers. **We are pleased to offer Twenty (20) Complimentary Student Delegate Passes to your Institution for the 17th World Renewable Energy Technology Congress 2026 and Co-located Conferences** to be held from **1st to 2nd July 2026**, however, the standard **Student Delegate Fee** is **INR 8,000 + 18% GST per student**, while the standard **Faculty Delegate Fee** is **INR 22,000 + 18% GST**.

We request you to **kindly nominate 20 students** to participate in this prestigious gathering and gain exposure to the latest developments in **Renewable Energy, Hydrogen Energy, Water, Waste-to-Wealth, and Sustainable Development** sectors. **Certificate of Participation will be provided to each student delegate. Participants are requested to make their own Boarding & Lodging arrangements.**

A line of confirmation will be highly appreciated.
