Dear Sir/Madam,

Your kind attention is being drawn to the following, as stated in CSAS-2023:

"At the conclusion of CSAS(PG)-2023, all admitted candidates must report to the admitted College/Department and complete all admission formalities of the concerned College/Department, including physical verification of the documents/certificates.

Admission of a candidate is purely provisional and is subject to verification of original documents by the respective College. The College/Department will recheck all the documents/certificates. During physical verification, if any document/certificate is found inadequate/ insufficient/ inappropriate, it will lead to cancellation of the admission, ipso facto. Further, such a candidate will forfeit the opportunity for admission to any PG Program of UoD for the Academic Session 2023-24."

In light of the above, you are requested to kindly get the physical verification of the documents/ certificate of all the admitted candidates done at your College/Department/Centre.
